Creating Opportunity in Partnership

Early Learning Programs

We provide free quality child care and pre-school education for children that focus on early childhood development for children from birth to five years.

Early Learning Continuum

Early Learning Centers for Ages 3-5

The Centers enrich the children's learning experience, engage parents in the education of their children, place an emphasis on family support services and foster social and emotional growth. For more information, call 377-8539.

Early Head Start-Child Care Partnerships for Ages Birth-3

SCAP partners with existing child-care centers and family child-care programs to provide comprehensive services that are crucial to the learning and development of infants and toddlers. For more information, call 377-2015.
