

EMPLOYMENT SERVICES

If you are unemployed or underemployed, SCAP Employment Services can help you!

SCAP can help you assess yourself, identify your skills, and set meaningful and achievable goals.

SCAP can help you with job preparation, by focusing on the skills you need to meet the challenges of today's workforce.

SCAP can help you with resume and cover letter writing and help you improve your interviewing skills.

SCAP can help you with career counseling and case management to help you find and keep a job.

- Have you been dependent on the income of someone who is no longer in the household?
- Are you looking to join the workforce for the first time or after a long time away?
- Have you recently lost income?
- Are you experiencing difficulty obtaining or upgrading employment?
- Are you having trouble making ends meet?
