SCAP IS YOUR RESOURCE FOR QUALITY EARLY LEARNING PROGRAMS

At SCAP, we make the most of a young child's potential by offering child care and pre-school programs for 450 children from birth to kindergarten, and their families are in an environment that supports their cognitive and social-emotional development.

SCAP operates four center-based sites for children aged 3-5 years:

Bigelow Avenue Early Learning Center (11 Classrooms)

100 Bigelow Avenue | Schenectady, NY 12304

Bellevue Early Learning Center (4 Classrooms)

2000 Broadway | Schenectady, NY 12306

Glen Worden School Early Learning Center (1 Classroom)

30 Worden Road | Scotia, NY 12302

Yates Village Early Learning Center (3 Classrooms)

2450 Van Vranken Avenue | Schenectady, NY 12308

For children ages birth to 3 years:

SCAP partners with existing child-care centers and family child-care programs to improve the quality of infant and toddler child care for low-income families and promote the physical, social, emotional, cognitive and language development of young children ages newborn to three years.

Partners include: Our Precious Sprouts Day Care; Andrea Adrian's Child Care; YWCA of NENY; and Albany Community Action Partnership.
